SUMMARY OF
SPECIAL ANNEXES
 TO
 COUNTRY ELEVATORS

Buildings authorized for use for the temporary emergency storing of wheat, which can not qualify for licences as country elevators under the Canada Grain Act. These buildings are located on and off railway sites and are known as Special Annexes to licensed country elevators. They are operated only by the managers of licensed public country elevators and are located at varying distances from the elevator proper.

The Special Annexes are not grain elevators, and as those buildings are being used only temporarily the undershown figures pertaining to such type of storage have not been included elsewhere in this publication except in the final summaries.
